Dear PPP Team:

I just received a post card from you today asking for my permission to use the letter I had sent you Scotty & Jessica about the cards I receive each Christmas and Birthday.

Anytime that I write Passion for Prison if you wish to use what I have to say that will benefit your wonderful group please feel free to do so. I may not be able to do much here from prison other than praise your wonderful work.

God bless all of you for your dedication for others.

Sincerely,  
Steve

P.S.

If they do use what I've written I love to have a copy of it. Also if anyone has a Bible they could donate to me I'd appreciate it. I don't have one.  
Thank you
